Sec. 2. (a) Except as otherwise provided in this chapter, it is unlawful for a person to practice physical therapy or to profess to be a physical therapist, physiotherapist, or physical therapy technician or to use the initials "P.T.", "P.T.T.", or "R.P.T.", or any other letters, words, abbreviations, or insignia indicating that the person is a physical therapist, or to practice or to assume the duties incident to physical therapy without first obtaining from the board a license authorizing the person to practice physical therapy in this state.

(b) It is unlawful for a person to practice physical therapy other than upon the order or referral of a physician, podiatrist, psychologist, chiropractor, or dentist holding an unlimited license to practice medicine, podiatric medicine, psychology, chiropractic, or dentistry, respectively. It is unlawful for a physical therapist to use the services of a physical therapist's assistant except as provided under this chapter.

For the purposes of this subsection, the function of:

- (1) teaching;

It is unlawful for the person to act as a physical therapist's assistant other than under the direct supervision of a licensed physical therapist who is in responsible charge of a patient or under the direct supervision of a physician. However, nothing in this chapter prohibits a person licensed or registered in this state under another law from engaging in the practice for which the person is licensed or registered. These exempted persons include persons engaged in the practice of osteopathy, chiropractic, or podiatric medicine.

(d) This chapter does not authorize a person who is licensed as a physical therapist or certified as a physical therapist's assistant to:

- (1) evaluate any physical disability or mental disorder except upon the order or referral of a physician, podiatrist, psychologist, chiropractor, or dentist;
- (2) practice medicine, surgery (as described in IC 25-22.5-1-1.1(a)(1)(C)), dentistry, optometry, osteopathy, psychology, chiropractic, or podiatric medicine; or

Sec. 6. (a) Each applicant for a license as a physical therapist or certification as a physical therapist's assistant must present satisfactory evidence that the applicant:

- (1) does not have a conviction for a crime that has a direct bearing on the applicant's ability to practice competently; and
- (2) has not been the subject of a disciplinary action initiated by the licensing agency of another state or jurisdiction on the

grounds that the applicant was unable to practice as a physical therapist or physical therapist's assistant without endangering the public.

(b) Each applicant for a license as a physical therapist must submit proof to the committee of the applicant's graduation from a school or program of physical therapy that meets standards set by the committee. Each applicant for a certificate as a physical therapist's assistant must present satisfactory evidence that the applicant is a graduate of a two (2) year college level education program for physical therapist's assistants that meets the standards of the committee. At the time of making application, each applicant must pay a fee determined by the board after consideration of any recommendation of the committee.

(c) An applicant may appeal the committee's decision to deny licensure to the committee within fifteen (15) days after the applicant receives notification of the committee's decision. IC 25-27-1-7

Sec. 7. (a) All examinations of the applicants for licensure as physical therapists or for certification as physical therapist's assistants shall be held in Indiana at least twice a year.

(b) Examinations shall include a written or computer examination which must test the applicant's knowledge of the basic and clinical sciences as they relate to physical therapy, physical therapy theory and procedures, and such other subjects as the committee may deem useful to test the applicant's fitness to practice physical therapy or to act as a physical therapist's assistant.

(c) Any qualified applicant who fails an examination and is refused a license or certificate may take another examination within the time limits set by the committee upon payment of an additional fee determined by the board after consideration of any recommendation of the committee.

(d) Nothing in this section shall be construed as a prohibition against any qualified applicant who has failed an examination from making further application for a license to practice physical therapy or for a certificate to act as a physical therapist's assistant when the application is accompanied by the fee determined by the board after consideration of any recommendation of the committee.

(Formerly: Acts 1957, c.198, s.7; Acts 1971, P.L.379, SEC.6.) As amended by P.L.136-1984, SEC.1; P.L.150-1986, SEC.9; P.L.173-1996, SEC.14.

IC 25-27-1-8

Sec. 8. (a) The committee shall license as a physical therapist each applicant who:

(1) successfully passes the examination provided for in this

chapter; and

(2) is otherwise qualified as required by this chapter.

(b) All licenses and certificates issued by the committee expire on the date of each even-numbered year specified by the health professions bureau under IC 25-1-5-4. A renewal fee established by the board after consideration of any recommendation of the committee must be paid biennially on or before the date specified by the health professions bureau, and if not paid on or before that date, the license or certificate becomes invalid, without further action by the committee. A penalty fee set by the board after consideration of any recommendation of the committee shall be in effect for any reinstatement within three (3) years from the original date of expiration.

(c) An expired license or certificate may be reinstated by the committee up to three (3) years after the expiration date if the holder of the expired license or certificate:

(1) pays a penalty fee set by the board after consideration of any recommendation of the committee; and

(2) pays the renewal fees for the biennium.

If more than three (3) years have elapsed since expiration of the license or certificate, the holder may be reexamined by the committee. The board may adopt, after consideration of any recommendation of the committee, rules setting requirements for reinstatement of an expired license.

(d) The committee may issue not more than two (2) temporary permits to a physical therapist or physical therapist's assistant. A person with a temporary permit issued under this subsection may practice physical therapy only under the direct supervision of a licensed physical therapist who is responsible for the patient. A temporary permit may be issued to any person who has paid a fee set by the board after consideration of any recommendation of the committee and who:

(1) has a valid license from another state to practice physical therapy, or has a valid certificate from another state to act as a physical therapist's assistant; or

(2) has applied for and been approved by the committee to take the examination for licensure or certification, has not previously failed the licensure or certification examination in Indiana or any other state, and has:

(A) graduated from a school or program of physical therapy; or

(B) graduated from a two (2) year college level education program for physical therapist's assistants that meets the standards set by the committee.

The applicant must take the examination within the time limits set by the committee.

(e) A temporary permit issued under subsection (d) expires when the applicant becomes licensed or certified, or approved for endorsement licensing or certification by the committee, or when the application for licensure has been disapproved, whichever occurs first. An application for licensure or certification is disapproved and any temporary permit based upon the application expires when the applicant fails to take the examination within the time limits set by the

committee or when the committee receives notification of the applicant's failure to pass any required examination in Indiana or any other state.

(f) A holder of a license or certificate under this chapter who intends to retire from practice shall notify the committee in writing. Upon receipt of the notice, the committee shall record the fact that the holder of the license or certificate is retired and release the person from further payment of renewal fees. If a holder of the license or certificate surrenders a license or certificate, reinstatement of the license or certificate may be considered by the committee upon written request. The committee may impose conditions it considers appropriate to the surrender or reinstatement of a surrendered license or certificate. A license or certificate may not be surrendered to the committee without the written consent of the committee if any disciplinary proceedings are pending against a holder of a license or certificate under this chapter. *(Formerly: Acts 1957, c.198, s.8; Acts 1971, P.L.379, SEC.7.)
